Available in curved or straight layouts, all kits include frame, magnetic bars, (2) 75 watt halogen spotlights and a wheeled hard carry case.

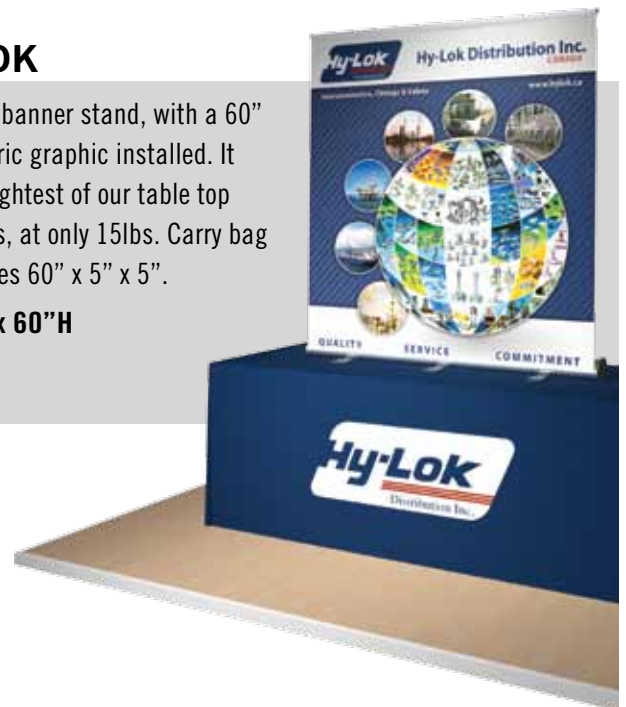

They may be smaller, but a table top display can still create a dynamic presentation. Whether you exhibit at career fairs, chamber and association events, or trade shows, a table top display gives you ease of shipping and set up. We carry many different systems with a range of size and price. Some of them can be accessorized with options such as lighting, internal shelves, and monitors. All of these systems can be further enhanced with a table drape, complete with your name and logo.

iLOOK

5' wide banner stand, with a 60" tall fabric graphic installed. It is the lightest of our table top displays, at only 15lbs. Carry bag measures 60" x 5" x 5".

60"W x 60"H

FABRIC FOLDING PANEL

Corrugated cardboard infill panel covered with Velcro compatible fabric on both sides. Durable, lightweight and comes in a variety of colours. Systems are stackable to create a floor-standing display. Graphics stay on the system when shipping. Includes carry bag.

3 PANEL
